

MEOW FOUNDATION BOARD MEMBERS (Volunteer Position)

The Opportunity

We are seeking committed volunteers who are keen to use their strategic business/senior leadership experience for the benefit of MEOW Foundation. After recently achieving our critical objective of occupying a permanent home, we turn our focus to MEOW's long-term strategy, including expanding our fundraising potential and human and program resources capability. To assist with this work we are looking for individuals who are committed to the principles and values of animal rescue, who will willingly share their time with MEOW, and whose expertise falls in the following areas:

- Strategy development and execution in either not-for-profit or profit centers
- Top business unit leadership roles with an emphasis on strategy, fund development, business development, marketing, financial or public relations expertise

Requirements

A passion for animal welfare (especially cats!) and a willingness to directly contribute your time and energy to achieving our goals are the key requirements for these positions. Prior board experience is a key asset as is prior experience in similar organizations.

About MEOW

Established in 2000, MEOW Foundation is a cat-specific, registered not-for-profit organization with a no-kill mandate. Our Rescue and Adoption Program provides food, shelter and medical care to stray and abandoned cats in Calgary and facilitates their adoption into new, loving, permanent homes. MEOW also offers a subsidized Spay/Neuter Assistance (SNAP) program for Calgarians in need and a Trap, Neuter and Return (TNR) program for feral cats. Through our programs we advocate for responsible, compassionate animal care and assist over 2500 cats each year.
