

Veterinary Financial Assistance for Your Cat

We empathize with your situation. Many animal guardians face difficult decisions when pets require serious medical care. Due to limited resources, MEOW is not able to offer financial assistance. Below are some possible options for consideration.

1. MEOW Foundation's SNAP program assists only with the cost of spay or neuter surgery
2. If you are low income, disabled or a senior residing in Alberta, speak to your veterinary clinic about eligibility through Tails of Help: <http://www.tailsofhelp.com/>
3. Consider asking friends or family for assistance
4. Inquire at your veterinary clinic or other clinics about a possible payment plan
5. Pet Card is veterinary financing program: <https://www.petcard.ca/index.ph>
6. Health Smart Financial Services is a financial payment plan offered by most VCA veterinary clinics in Calgary: <https://healthsmartfinancial.com/>

Unexpected veterinary costs can be challenging for many pet owners. MEOW recommends pet insurance or creating a savings account for your pet in case of emergencies.

We hope you are able to get the assistance you need.
