MEOW Foundation Veterinarian
(Part-Time)

About MEOW

Established in 2000, MEOW Foundation is a cat specific registered not for profit organization with a no kill mandate. Our Rescue and Adoption Program provides food, shelter, and medical care to stray and abandoned cats in Calgary and facilitates their adoption into new, loving, permanent homes. MEOW also offers a subsidized Spay/Neuter Assistance (SNAP) program for Calgarian's in need and Trap, Neuter and Return (TNR) program for feral cats. Through our programs we advocate for responsible, compassionate animal care and assist over 2500 cats each year. In November 2019 Meow Foundation successfully opened a Thrift Store which is wholly owned and operated by the foundation.

The Opportunity

MEOW Foundation is currently seeking a committed Veterinarian who is keen to use their professional expertise, experience and know how, along with their passion, time, and energy for the benefit of MEOW Foundation.

MEOW Foundation is in the beginning stages of opening our own veterinary practice! The MEOW Foundation Veterinary Clinic will provide services to cats we've taken in through our Rescue and Adoption Program, as well as spay/neuter services through our Spay/Neuter Assistance and Trap/Neuter/Return Programs.

As part of our licensing process through the ABVMA, we're looking for a Responsible Veterinarian to guide us through building the clinic and govern its operations over time.

MEOW Foundation was founded in 2000 and is a cat rescue and humane society with a no-kill mandate. Learn more about us on our website.

While this will be a paid position with part-time hours, the clinic will be solely MEOW-owned; there is no ownership opportunity.
